BE@SOURCE Honored with Global 100 Award for Innovative Business Solutions

Berlin, Germany - July 10, 2024 - BE@SOURCE, a leader in innovative business solutions, proudly announces its receipt of the prestigious Global 100 - 2024 award in the category of Innovative Business Solutions Expert. This accolade, awarded by EMG Publishing, underscores BE@SOURCE's unwavering commitment to excellence and innovation in the business world. Reflecting Core Values and Achievements

The Global 100 award is a testament to BE@SOURCE's relentless pursuit of perfection and global outreach. With an ambition to be at the industry's forefront, this recognition emphasizes BE@SOURCE's significant achievements and its comprehensive service offerings that integrate tax, auditing, accounting, and ERP solutions. The company's extensive database of over 75,000 employees further solidifies its position as a leader in the industry.

"We are deeply honoured to receive the Global 100 award, which reflects our commitment to excellence and innovation," said a spokesperson for BE@SOURCE. "This award not only acknowledges our past achievements but also motivates us to continue striving for perfection and expanding our global footprint."

Leveraging Recognition for Future Growth

BE@SOURCE plans to leverage this recognition to enhance its marketing and PR efforts, further cultivating its image as a global leader. The award boosts the company's efforts to publicize its support for those in need and its contributions to the academic sector. By highlighting its leadership position, BE@SOURCE aims to attract new clients and expand its market presence globally.

Why BE@SOURCE?

BE@SOURCE was selected for this award due to its invaluable contributions to the business world, combining comprehensive business solutions with a deep expertise in ERP systems. The company's unique approach ensures tailored solutions that drive efficiency and growth for its clients.

About the Awarding Body

The Global 100 award is presented by EMG Publishing, a renowned organization known for honouring excellence in business and leadership. With a global reach spanning six continents and 163 countries, EMG Publishing is respected for organizing some of the world's most coveted awards ceremonies. The Global 100 award signifies a mark of excellence, recognizing companies that demonstrate outstanding innovation and leadership.

About BE@SOURCE
